Hi Lynda, an unexpected personal item has arisen and I may not be able to travel this week (Leviathan TAC in Carson City on Thursday). Marc Lombardi (and Britt) and Dave McCarthy will be at the subject meeting (they should be able to address questions to AR). I may be able to participate by Webinar for the TAC meeting session on Thursday afternoon. Please let me know if you have concerns or anything in addition I can do to ensure the meeting is covered. Thanks...  
Tony...
